

**Welcome to Northfield!**

For those residents new to the community we would like to introduce ourselves. We are the Northfield Parks Foundation.

The Northfield Parks Foundation was formed in 2001 with the goal of supporting the Northfield Park District in the delivery of recreation programs, services and facilities as well as providing healthy recreational events for the Northfield community. Since its inception, the foundation has raised more than \$1 million through community mailings and community golf outings. These funds have been used to renovate Clarkson Park (The Heart of Northfield), and most recently Willow Park (Where We All Love to Play).

Please visit the Park District web site @northfieldparkdistrict.org to learn more about the Parks Foundation and better yet how you can assist us in supporting the Northfield Park District.

The entire Foundation Board wishes to thank you for your consideration and generosity during these historic economic times, as it is hard to choose which worthwhile causes to support. The Foundation only hopes you believe as we do, that our parks have added value to our fine community and at the same time, made each and every resident proud to call Northfield our HOME.

Our Foundation is a 501(c)(3) non-profit entity. Donations to the Foundation are tax deductible to the extent allowed by law.
