## Back by Popular Demand!

### Park District Before School Recreation Program

Northfield Park District will again run our before school recreation program for the 2016 - 2017 school year. This program is open to all Middlefork School students and will run every day that school is in session, including early dismissal days. Our staff will keep the morning interesting with games, art projects and other activities. Children can be dropped off anytime between 7 a.m. to 8 a.m. and will be brought to school at 8:15 a.m.

For added flexibility, we have changed our pricing from monthly billings to a punch pass system. You can purchase 10 or 20 punches to be used whenever you'd like, or maximize your savings and purchase an annual membership which covers one child for the entire school year.

Description	Fee
10 Punch Pass	\$150
20 Punch Pass	\$275
Annual Membership	\$1300

### NEW! Park District After School Recreation Program

New for the 2016 - 2017 school year! Northfield Park District will now offer after school recreation for children in Kindergarten through 3rd grade. This program will run every day that Middlefork School is in session including early dismissal days. We will still offer our traditional after school sports and enrichment classes in addition to this program. Park District staff will pick up the children from school at their dismissal time. Our staff will also run the program and coordinate any children who choose to participate in our after school sports and enrichment programs.

During the program children will have time to do homework, eat a snack, along with coordinated recreation activities run by our staff. Children can be picked up anytime during the designated time frame for which they are registered. A \$15 fee will be assessed for late pickup of children.
