Winter Youth Enrichment Programs

The Winter Enrichment Programs session began the week of January 11th and is starting out great! Our Mission Propelle Girls' Power Yoga class is typically one we cannot get enough girls for. However after having low sign ups again I convinced the teacher to run it right after school rather than at 4:15 and we now have eleven 1st-3rd grade girls signed up. The teacher is excited and wants to continue that for next session.

Before Care/New Hire

Jaakan Thompson has been hired as a Before Care staff and fitness attendant. He has been great with the kids in Before Care and has been a great addition to the team. We are up to 17 kids in Before Care and it is running very smoothly.

Brochure

Our Camp Brochure has gone out and people are finding it much more helpful with how we designed it and the information given in it this year makes the registration process much smoother on both ends. Right now we are in the process of creating our spring/summer brochure.

Rentals/Birthday Parties

Both are going really well and during these cold winter months we are booking about two birthday parties a weekend and have heard nothing but positive feedback from our birthday party staff.

Winter Carnival

Due to the frigid cold weather on Martin Luther King Day we cancelled Winter Carnival and moved it to Feb. 15th.
