

February 2016
Northfield Park District Board Meeting
Superintendent's Report
Submitted by Bill Byron

Willow Park

-We are in the final stages of securing the permit for our streambank restoration project. Over the past few years we have seen significant erosion of the streambank, and with the help of MWRD we plan to start those repairs this summer.

Clarkson Park

-The outdoor ice rink is now closed for the season. We had a nice stretch of good ice, and although we didn't have ice for the Winter Carnival, we still were able to open for the rest of Presidents' Day Weekend and drew large crowds.

Community Center

-Nothing new outside of the renovation work.

Fox Meadow

-We have coordinated the buckthorn removal with the Fox Meadow Homeowners Association and Integrated Lakes Management. Everyone is on the same page and the work is scheduled to happen in the next two weeks.
